1. Build leadership capacity of Diaspora People
2. Convene around collective challenges
3. Develop network capacity with shared language
4. Enhance relationship with homeland
1. Convene diverse groups from across the globe
2. Ensure the place and function of homeland in training
3. Provide a renowned discipline to add competitive advantage to training
4. Ensure practical application to local experience
1. Buy-in from local communities
2. Strong value proposition
3. Leadership expertise
4. A pre + post model of engagement
CHALLENGES / OPPORTUNITIES?

1. Localized understandings/needs of leadership
2. Skepticism around leadership training
3. Resource Development
4. Capacity for scope and scale of work
WHAT DO WE WANT TO SEE?

• Is there evidence of greater sharing and collaboration across communities and sectors, on a global, local and organizational level?
• Is the Israel-Diaspora network expanding to include likely and unlikely alliances?
• Are diverse leaders aligning their priorities and working together towards common Diaspora goals?
• Do members of the Israel-Diaspora network coordinate their efforts to mobilize other Jews to engage in Jewish life?
• Do leaders gain increased access to resources around Jewish/Israel knowledge and culture?
