

The Arts & Community Task Force Presents:

Hasia Naveh, Quilt/Textile Artist

May 22 - 30, 2016

Host a creative artist working in textiles, cloth dyeing, patchwork and quilting in the U.S. Central Area Consortium Communities

THE ARTIST

Hasia Naveh began her study of fabric arts by learning to tie-dye fabrics while also studying painting at Western Galilee College. She then continued with a variety of courses taught by top experts throughout Israel. She is a member of the Israel Quilters' Association, a regular participant in her village quilting group and attends quilting workshops. She has exhibited her artwork in Israel and abroad including the

Open European Quilt Championships 2012 exhibition in Holland where she won second place in the Intermediate category.

Five years ago she opened her studio on her family farm in Bustan HaGalil where she hosts traveling groups to talk about her life and artwork and also teach workshops in patchwork and quilting. Hasia lives on a farm with her husband Davd Naveh and their four children.

QUILT & TEXTILE WORKSHOPS

Materials needed for all workshops below: Scissors for paper and fabric, iron and ironing boards for each participant, and a sewing machine for demonstrations.

Fabric Cutouts/Fold & Cut

2 hour workshop for teens and adults Learn to fold and cut fabric squares, make flowers and traditional Jewish motifs that will be glued onto a backing fabric, fuse to a background, embroidered, then sewn to create a picture pillow or tablecloth.

Postcards/Pictures of Israeli Scenery

2-3 hour workshop for teens and adults Learn to create a beautiful Israeli scene on fabric using embroidery hoops.

Fabric Squares & Lavender / Soap Flakes

3 hour workshop for teens and adults Make fabric squares with an appliquéd traditional pattern, in patchwork embroidery with red thread and lavender or Acrilan and scented soap flakes. The "lavender square" is made of cotton and linen fabric. The back is linen and the front is dyed cotton fabric with a classic quilt pattern on it. The pattern is sewn as modern appliquéd using a sewing machine, usually with metal thread and is hand embroidered using red thread. **Additional special material needed:** Lavender/soap flakes.

Houses & Birds

3 hour workshop for teens and adults

Cut out pictures of houses, trees, flowers, and birds in colorful fabric to create stories.

Circles of Color: Fabric Strips & Remnants

3 - 4 hour workshop for teens and adults

Learn to create with colored fabrics—circles, spirals, rectangles and lines; examine the color spectrum, study hues and their influence on each other. Create colorful abstract pictures with an independent presence, which become a background for work with appliqué.

COSTS

Danit Ron Bornstein, P2G Marketing Coordinator, will be joining Hasia during this program. Danit was born and raised in Moshav Bustan Hagalil. She returned back to Israel after living in the US for 25 years and enjoys making jewelry, painting and more. She will assist Hasi during her workshops. **Each community that hosts will be responsible for housing, meals and any other ground costs during their visit.**

WHAT IS PARTNERSHIP2GETHER?

PARTNERSHIP2GETHER is a program of the Jewish Agency and the Jewish Federations of North America, promoting people-to-people relationships through cultural, social, medical, educational and economic programs. This Partnership is between the 13 communities of the Central Area Consortium and Israel's Western Galilee.
