OVERLOOKING THE SEA

Ulpán Etzion Carmel is a five-month ulpan geared toward:
single olim or married couples without children, aged 22-35, university
or college graduates or professionals

ABOUT THE HEBREW ULPAN

Ulpán Etzion Carmel is located on the university campus at the port of downtown Haifa (Campus Hanamal). It provides high-level Hebrew studies, with classes on four levels. Hebrew skills are essential for successful social and professional integration into Israeli society. Classes are held five times a week, five hours per day and are taught by teachers who are qualified by the Ministry of Education. They integrate aspects of Jewish culture and Israeli society into the curriculum to enhance both the learning experience and your cultural acclimation. The Ulpán experience also includes rich cultural programs, lectures, parties, hikes, trips, and other extra-curricular activities.
