

THE JEWISH AGENCY PARTNERSHIPS UNIT

THE POWER OF OUR COLLECTIVE

OUR VISION:

A global and united Jewish people made up of a tapestry of strong, lively, flourishing and interconnected Jewish individuals, families and communities working together to enrich Jewish continuity, identity and cultural understanding between Jews in Israel and their peers around the world.

For 20 years, Partnership2Gether (P2G) has been:

- **Turning 'Israel' and 'the global Jewish family'** from abstract concepts into tangible, vibrant, compelling realities
- **Strengthening Jewish engagement and identity** for all involved
- **Growing genuine feelings of kinship**, and an ever-expanding network of relationships within the Jewish people
- **Building mutual cooperation** between communities on both sides of each Partnership
- **Inspiring Israelis** with a rich variety of religious Jewish expression and renewal in the Diaspora
- **Helping Jews overseas** to more fully understand life in the Jewish state

Partnership2Gether connects:

450 Jewish and Israeli communities in **46 city-to-city and region-to-region Partnerships**, engaging more than **400,000 participants each year** in meaningful, ongoing connections between Israelis and Jews from around the world.

Partnership2Gether is the central platform for the promotion, empowerment, and development of deep connections between Jewish communities.

Each Partnership is led by a joint steering committee, comprised of volunteers in both communities dedicated to the creation of ongoing, fruitful, bilateral engagement: unique programs and one-on-one encounters based on mutual endeavor and shared Jewish identity.

The Jewish Agency provides a wide range of professional and educational support to each Partnership and offers platforms for Partnerships to share their best practices, challenges, and successes.
